Sun and Fun

This year's gathering of superyachts at the Boat International Monaco Superyacht Rendezvous was pure magic - a mixture of sun, yachts, parties and glamour. World-famous violinist Benjamin Schmid performed for the Rendezvous guests who were welcomed to the Principality with cocktails on the Quai des Etats-Unis, sponsored by Monaco Tourism and attended by HSH Prince Albert II of Monaco. After the formation cruise there was an afternoon of fun on the beach, where Paris Designer Jasmin Santanen previewed her latest beachwear collection. The social programme included the Rendezvous Cocktail Competition and dinner at the Yacht Club de Monaco. The next day's fun included the famous 'poker run' along with the Rendezvous Chief's competition, which was followed by the equally famous Diamonds and White Rendezvous party.
